

Black Hole Sub instructions

step 1

Print the parts for the Black Hole Sub on thicker paper (I always use 200 gsm paper) and gather your papercrafting tools.

step 2

step 3

step 4

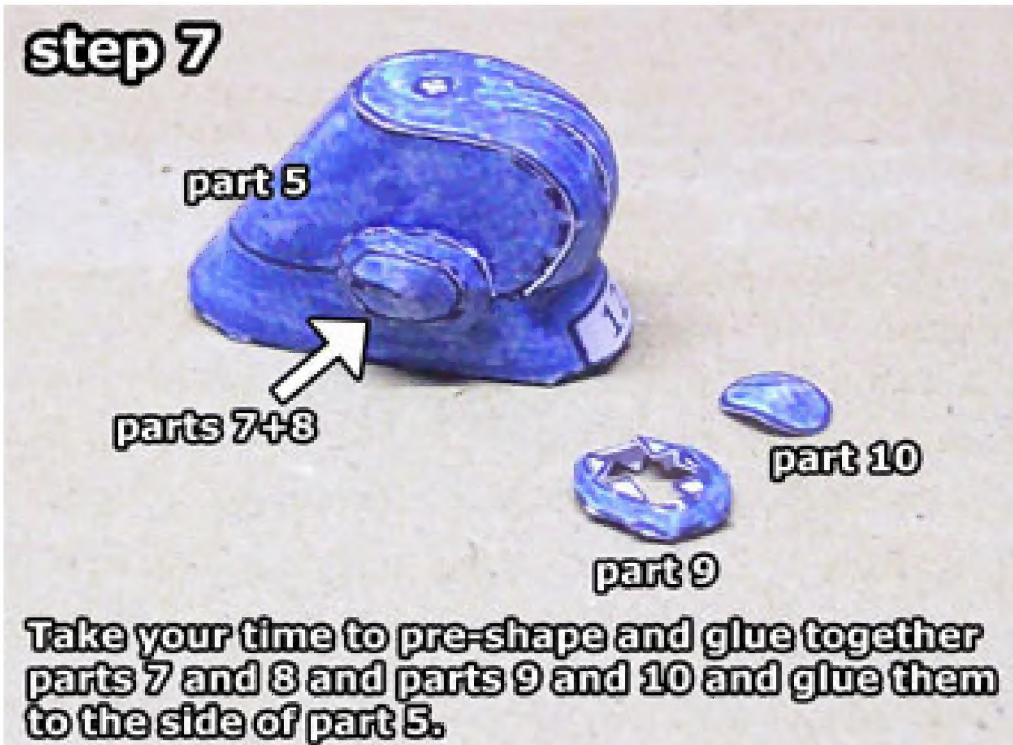

step 5

step 6

step 7

step 8

step 9

step 10

part 12

...and then glue it to the front of the tower. Then cut out and assemble part 13...

step 11

...and then glue it to the back of the sub as shown here.

step 12

part 14

Next, cut out and glue together parts 14 and 15.

step 13

parts 14+15

part 16

The periscope can stand on its own, but you can also glue it on top of part 16 for better balance.

step 14

**Black Hole
Sub**

Thank you for building a Ninjatoes' papercraft model!
